

## Pickup Day

It's hard to believe that this session is coming to an end already. It seems like we just got started. We wanted to remind you that you can pickup your daughters from 8 – 10AM on **Saturday (8/9)** morning. The girls will have a continental breakfast in the Dining Hall and then be patiently awaiting your arrival. **If you are planning to linger in camp for a few minutes, we would appreciate your loading your car and then parking on the archery field so that others can drive in and load.** Please keep in mind that our counselors are not allowed to leave and go back home until all of their campers have been picked up. Please try to arrive between 8 and 9:30 AM. Thank you very much. We'll look forward to seeing you on **Saturday**, and we hope you enjoy the remainder of your summer.
